

Succession Planning Solutions

Talent & Readiness drives business results

The Harrison Talent Readiness System enables you to fully engage your employees through integrated career and succession planning while simultaneously providing comprehensive decision analytics to manage your qualified talent pools.

Career Planning

Employees access a personal career planning portal that ranks internal jobs according to their likely enjoyment and engagement preferences. In addition, employees can view reports related to their strengths and areas to develop.

Talent Pool Analytics

Management accesses up-to-date talent pipelines that rank high potentials according to their qualifications and behavioral competencies and suitability related to job opportunities.

Succession Planning

Employees benefit from having involvement in their career planning process and access to personalized development reports.

Management accesses a Talent Readiness Dashboard that objectively ranks employees for positions according to job specific qualifications and behavioral competencies, as well as current job performance. Talent pools are kept up-to-date by employees and Human Resources only needs to access the current talent pipeline for any position.

Description Description Bask these is sustained secting to post the order to any post. Adjust the order so and that the top sustained secting to post- so and sustained secting to post the order to any post- tion order to any post-of-based to any post- tion order to any post-based to any post-based to any post- tion to any post-based to any post-based to any post- tion to any post-based to any post-based to any post- tion to any post-based to any post-based to any post- tion to any post-based to any post-based to any post- tion to any post-based to any post-based to any post-based to any post- tion to any post-based to any post-based to any post- tion to any post-based to any post-based to any post-based to any post- tion to any post-based to any post-based to any post-based to any post- tion to any post-based to any post-based based to any post-based to any post- tion to any post-based to any post-based based based to any post-based based to any post-based to any post-based based from the formation to any post-based based based based based to any post-based based based to any post-based based to any post-based based based based from the formation based based to any post-based based b		
you bar(). The second sentence deforthers you the next best, ranking each sentence with the battern sentence describes you the least.
